POWERING TOMORROW WITH PRECISION

OVERVOLT ELECTRIC

POWERING TOMORROW WITH PRECISION

COMPANY PROFILE

About Us

Auranaes tran inatner specializing
smila oclomy LT Panels UPS and BBS

Mission

Becoming mesision safety, and
trandation or most instainable
dostrical solutons

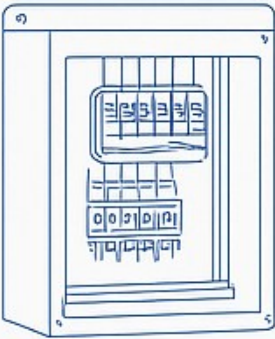

PRODUCT

Product	Description
 LT Panels	REalv0 standards compliance
 UPS	Modular designs for custominstalations
 DBs	Smart monitoring integrations
 ACDB Panels	Sustainable design options

PRODUCT CATEGORIES

Product	Description
 LT Panels	Rconat engineering uininmen power sustemists
 UPS sytems	Unurmegrantd powe with tritial delivering
 DBs	Modular distribution bonds which high customnatar
 ACDB Panels	Sustainable color readly panels with customic custworks

KEY FEATURES

- ✓ IEG0: Is standards compliance
- ✓ Modular designs for custom wanallations
- ✓ Smart monitoring integrations
- ✓ Sustainable design options

CUSTOM SOLUTIONS

Tatored
OR configurations

Chent
fist comunication

Sustainability
and modent design

Industry standard
certifications

TECHNICAL SPECIFICATIONS

Product	Specifications	DBs	Specifications
LT Panels Current capacity	415V or 415V Up to 6300A IP 65	Voltage rating Current capacity Enclosure type	415V Up to 630A IP 66
UPS Systems Voltage capacity Bottom Cable entry	230V or 415V Up to 1600A IP 20 Bottom Floor IEC 62040 IS 16242	ACDB Panels Voltage capacity Enclosure type Floor Mounting	1000V Up to 630A IP 66 Floor IEC 62040 IS 1623

OVERVOLT
ELECTRIC

PRODUCT CATALOGUE

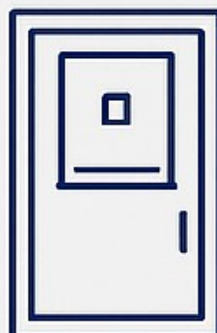

LT Panel

Reliable power distribution with precision engineering

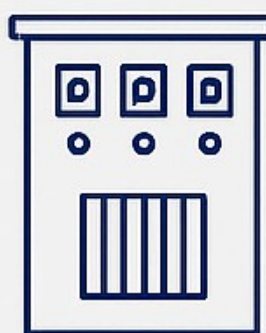

Solar ACDB

Solar-ready panel with efficient energy management

UPS DB

Uninterrupted power with advanced UPS integration

Street Light DB

Durable street lighting control and protection

Metering Panel

Optimal energy monitoring with accurate metering

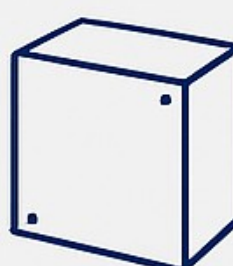

LDB

Flexible lighting distribution solutions

PDB

Versatile distribution for various power

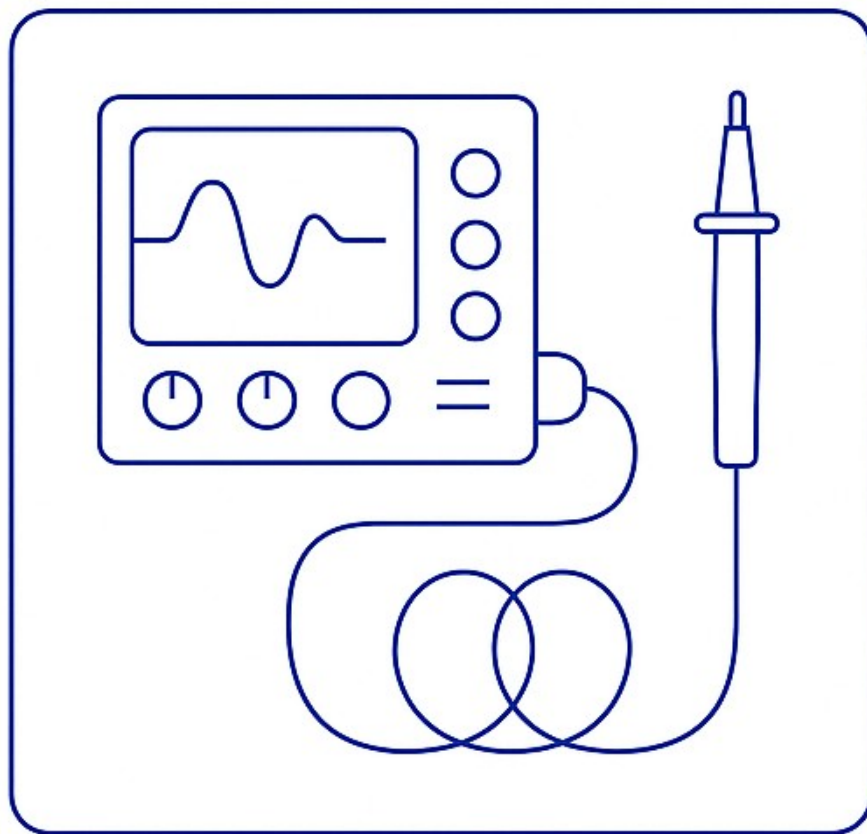

Junction Box

Compact design for secure electrical

TESTING & QUALITY ASSURANCE

- ✓ Routine QA checklist
- ✓ Pre-dispatch inspection protocols
- ✓ Equipment calibration & performance validation
- ✓ Certifications and lab approvals
